

# Conant Lodge Campaign

*Your help is needed to restore and renovate Cold River Camp's beloved Conant Lodge.*

Over the next three years, the Camp plans to raise \$1.2 million to fund a new dining area and up-to-date kitchen for Conant Lodge. Every donation will help us protect and sustain Cold River Camp for future generations. We welcome both one-time gifts and incremental commitments to carry us to our goal. The Lodge has been a welcoming space for over 100 years. Let us create the foundation for centuries more.
